## YOUR DELIVERIES – ADAPTING WITH CORONAVIRUS

Please read below the changes we are implementing to our delivery methods. These changes will be in effect until further notice.

When in-person deliveries are necessary, our **volunteers will hang your meals on your doorknob in a new single-use plastic bag, ring the doorbell and knock to let you know your meals have been delivered.** If you must have in-home delivery, your volunteer will keep the appropriate distance as suggested by the CDC.

Delivery drivers will sanitize their hands and wear a new pair of protective gloves when making each delivery. **Please note:** Drivers wearing gloves is used as a precautionary measure and should not be considered reason for alarm.

Due to changes in our internal policies, **monthly individualized pantry box and family pantry box deliveries will cease at the end of 2020,** you may still be eligible to receive further pantry supplies upon approval. Starting January 1, 2021, pantry boxes will only be sent to you if you call to request one. You can receive up to 3 months of additional pantry boxes in total.
